First name: Nathaniel

Last name: Sturgis

Organization: 5Square LLC

Title:

Comments: As part time residents and property owner in Seeley Lake, we have long enjoyed hiking and canoeing in the Holland Lake area, as well as dining at and the Holland Lake Lodge. We recognize that the lodge's septic and water system upgrades are necessary and long over-due. We are very aware of the pristine nature of the water and surrounding forest and how rare those qualities have become as more and more people seek outdoor recreation in the Swan and Clearwater valleys.

We are pleased to note that POWDR intends to provide a swimming beach and dock, and to rent non-motorized recreation equipment. POWDR states that they intend to provide guests with a "soulful experience"; we hope, to that end, that POWDR's commitment to non-motorized recreation is permanent and unaltered.
