Comments: I believe the choice to allow this company to make changes of this scale will have a negative impact on the area. I have visited Holland lake and walked the trails many times over the years and the big draw for me was the peace and quiet and the views. By allowing this expansion it will increase the amount of traffic on the trails and reduce a beautiful and peaceful setting. Perhaps a scaled down plan would be more acceptable and less impactful while still making the resort a welcome part of the lake community.
