First name: John

Last name: Ehmsen

Organization:

Title:

Comments: Good day USFS and specifically Forest Supervisor Stewart,

My name is John Ehmsen, and I am a full time resident of Gunnison County Colorado. I am writing to express my full and unwavering support of the proposed Mt. Emmons Land Exchange #61798, as written. I feel this is an amazing opportunity for our wild spaces, and we must not let this important moment pass us by. Please approve and facilitate the exchange.

Respectfully submitted, John
