First name: Alyssa

Last name: Stanton

Organization:

Title:

Comments: This is a place my family and I have visited for generations - I swam in this lake as a child with my grandparents - and my children do the same with me. We value this land, it is our worst fear as Montanas to see it bought up by our of state companies and no longer be able to use it. This is one of the last best places on Earth! Please do not let it be sold for profit
