Comments: I have been visiting Montana for many years for obvious reasons. Its heaven on earth. God's country. Lets the mind breath a sigh of relief. A true hidden gem not so many people were aware of until recent times.

I strongly object to this project. It is destroying majestic space and tranquility. It's opposite of why I am drawn to Montana. Big Sky Country. Yep.

Is this what's best for this lake setting ???? or being driven by the almighty USD \$\$\$\$.

Just shamefully disrespectful of what Montana represents.

CANCEL THIS PROJECT for good of nature, peace and tranquility, and mankind. Shameful if this moves forward.
