Comments: No, absolutely do not let any in or out of State entity ruin an another part of Montana. Look what So called Progress has ruined Bozeman and Whitefish, just to name two.They have out priced the locals right out of both those town. So now only Rich out of Staters can afford to live there. I used to Snowmobile on and around Hollander Lake and its beautiful as it is. If you let in this case, out of Staters do this to this peace of property only the Wealthy will be able to afford to even stay there. There are to many people that only think of the mighty dollar and what they can get. Montana needs to keep this and other properties natural and not raped by greedy people that don't care about Keeping Montana what we love about Montana. They want to commercialize every part of it. Leave it alone. Stay away.....??
