Comments: In no way shape or form should we loose the calm and historic nature of Holland lake. It is a place of nature and peace that has been an absolute treasure to our state and to my mental health. As a tax payer I would hate to see someone come in and demolish something on land that I help pay for and support especially something this is as beautiful and historical as the lake, lodge and cabins.

Please deny any applications to destroy that which has been so loved by those who have been here for generations. We don't need new, we need heart into the old.
