Comments: Dear FS,

Seeley is becoming over populated and the people who reside here can longer survive. Most restaurants have help wanted signs regularly! The Hotel was sold and now there is no longer anywhere to stay unless you use AirBNB which I'm sure is over priced. Try to remember why people want to live here and why people come here. There are plenty of other places to go. We no longer need any more out of staters. You are generally only looking at the profit and won't be able to tell anyone any different.
