Comments: Pave paradise and put up a parking lot? I demand a full environmental and public review for the proposed changes to the Holland Lake Lodge. This land is Public Land. Altering this landscape so greatly by cutting down a multitude of trees, building extra buildings and parking lots, and creating excess use on the lake, roads, trails, water and waste systems, not to mention wildlife habitat and human wildlife interface needs to all be weighed against the health and vitality of this area and ecosystem and the surrounding wilderness and community. This is not private land! It belongs to us the people, whatever is done with it needs to be in the best interest of all, not just a money grubbing corporation who stands to profit from pillaging and building. Public comment shows that moving forward with out adequate review is extremely unpopular and not the people's will. Let's realize what we've got to protect before it's gone!

They paved paradise  
And put up a parking lot  
With a pink hotel, a boutique  
And a swinging hot spot

Don't it always seem to go  
That you don't know what you've got  
Till it's gone  
They paved paradise  
And put up a parking lot

They took all the trees  
Put 'em in a tree museum  
And they charged the people  
A dollar and a half just to see 'em

Don't it always seem to go  
That you don't know what you've got  
Till it's gone  
They paved paradise  
And put up a parking lot

Hey farmer farmer  
Put away that DDT now  
Give me spots on my apples  
But leave me the birds and the bees  
Please!

Don't it always seem to go  
That you don't know what you've got  
Till it's gone  
They paved paradise  
And put up a parking lot

Late last night  
I heard the screen door slam

And a big yellow taxi  
Took away my old man

Don't it always seem to go  
That you don't know what you've got  
Till it's gone  
They paved paradise  
And put up a parking lot

They paved paradise  
And put up a parking lot
