Comments: We have enjoyed the privacy and quiet of Holland Lake since 1973. Up until Covid we spent 1-2 wks vacation at Holland 45 out 47 yrs. My wife and I are 77 & 80 yrs old

Our children of 49, 57 & 58 yrs old along with 16 grandchildren consider Holland Lake, Heaven on Earth.

If this development takes place you will destroy the future love, quiet and peace that 1,000's have needed and found there for all the years it has been a place for the common person and rich alike.

It should be designated as a National Monument and protected as the Bob Marshall National Memorial.

Thank you for protecting a wonderful area for the common man.
