Comments: Please preserve the US Forest Land & Holland Lake to not be built any larger than it is. Please preserve the historic buildings for others to enjoy. We don't need a large resort built on this pristine lake. It can still be enjoyed by many with it's current footprint on the forest land. The last best place, our precious state of Montana, gets exploited by large money hungry corporations in many areas. Please don't let it happen to Holland lake too. Thank you!
