Comments: I am a lifelong resident of Montana. I am sad to hear about the possible changes to Holland Lake Lodge. Like most places in Montana, Holland Lake is a great place to get away from the chaos of our regular lives. This is a beautiful lake enjoyed by many Montanans. If these changes are made, most Montanans will not be welcome or able to enjoy this areas because of the cost of gaining entrance. The cost of the property taxes near Holland Lake will skyrocket and the few locals that own cabins will be forced out. Please do not let a big corporation ruin one of the remaining beautiful places in Montana. Thank you for your consideration.
