Comments: To whom it may concern: my family owns property on McGregor Lake in Flathead county. We have had a cabin there for over 60 years. We watch with horror as some try to profit monetarily from the beauty of the land here only to degrade it into mediocrity by ruthless development. As Joanie Mitchell sang so eloquently "Don't it always seem to go/ that you don't know what you've got til it's gone...Pave Paradise. Put up a parking lot." Please don't pave paradise. Please know that you Montana residents have a treasure. You could so easily lose it to profiteers.
