Comments: As a Montana native, passionate about maintaining what makes our State so beautiful, I am ABSOLUTELY opposed to the scope of this project! Except for the love of money, I do not see how you can justify the impact this project will have on the environment and landscape.

This is unnecessary and wrong for Montana. As a family who goes to Holland Lake every summer, the citizens of our State would be WAY better served by additional campsites, not a resort that will likely not be financially feasible for most. I DO NOT support this project!
