Comments: We left California for many reasons: one was because it was not and would never turn into what we left. Greedy money hungry developers selfishly proposing and being allowed to shrink the very pristine land and water around us for the sole purpose of making a buck, or millions of bucks. Please do not allow this to happen. If this happens it will only be the beginning of that person or other developers encroaching on other lakes and turning us into, that's right, California.
