Comments: I am very upset about this selling of Holland Lake Lodge or camp grounds. It should always be available to all people to go to to camp. And not at an expensive price. I've been going there since I was 2 weeks old and my Dad, who's 90 now , even longer. It's already difficult enough to try to book a reservation in the summer. The site never works and then when it does it's all booked up. Something needs to be done. Keep these beautiful sites open to all the public. Please.
