Comments: Holland Lake is a natural beauty waiting to be enjoyed by all people regardless of your financial standing. Our family has had the pleasure and opportunity of spending time there in a cabin, camping, and day use over the last 32 years. As a young family it was a memory all of us hold dearly being able to stay and enjoy when finances were tight.

Please do not allow one of the treasures of Montana be taken away for all to enjoy not just the wealthy. The impact on the roads, land, and water shouldn't be sold out so only a select group can have one more place to go to.
