Comments: To Whom It May Concern

I am not a resident of Montana but vacationed there in 2004. It is the most beautiful place I have ever seen and I pray that I am able to return one day.

I have to ask, why do you think millions of people vacation in the beautiful state of Montana each year?

Because of it's unspoiled beauty. Why do you think hundreds of thousands of people want to move to Montana?

Because of it's unspoiled beauty. I cannot comprehend how there isn't an exhaustive environmental study not being done that will reveal the negative impact this unsightly project will have on this beautiful area and property.

Don't allow greed to destroy the beauty of Montana. Allow all of Montana to remain wild, free and beautiful, the way God intended!
