Comments: Holland Lake is a Montana treasure. One that should be kept as such. We have already had so many places overtaken by people who do not understand our values and the LOVE we have for our state. Unless you understand that, unless you've lived it- you will never understand or be able to uphold our Montana love. I've lived in and visited many places and I can promise you, you'll never meet a state filled with the amount of PRIDE, LOVE, and GRATITUDE as the people of Montana have for their state. Please don't take any of that away from us. To be successful, you have to have the support of the state's people- and I can promise you, that if you ruin Holland Lake as we know it- you won't. 406 forever. Let's keep Montana exactly as it is.
