Comments: I am writing in opposition to the proposed project Holland Lake . What a massive ugly plan this is and will ruin the integrity of Holland lake and the surrounding area. Holland lake is a state and national treasure .it is public property and trying to sneak this development through with very little public knowledge scream of deceit from our trusted public forest service officials. Once you come in and develop as proposed it is gone, not to mention the negative impact it'll have on the lake and the land.
