Comments: This project is horrible and should not be built. Who in their right mind would do such a project? I don't even live there in Holland and can see this is the worst thing to happen to such a beautiful area. Its all about the money and and corrupt FSDA officials. No environmental review? really? Whos paying the FSDA officials to sign off on that one? This needs to stop. Do not ruin the area and lake with this stupid ass project that benefits no one in the area except powdr!!!
