Last name: Balch

Organization:

Title:

Comments: Please help keep the integrity of our beautiful Holland Lake. I do not agree with this proposed version. It would put a huge amount of pressure on the infrastructure in the area.

Please help keep the beautiful gem the way it is and not defaced by modern structures along with the ability of "normal people" to stay and visit this beautiful piece of our community.

Thank you for guidance in keeping our state "our state."

Julie Balch
