Comments: Please do not destroy the serenity of this lake with a massive development. Please do not ruin the very thing people love about this lake. Please be responsible with your build so it does not become a playground for people that do not love and respect the land. Please be responsible with your build so you do not destroy the clarity and health of this lake. Please respect the people that live in the area and take care to consider their history in the area. Don't be dicks. Thank you.
