Comments: Holland Lake is one of Montana's best kept secrets. Montana has changed and grown so much in the past few years and it is rare to find a location that feels untouched by this change. Holland lake remains a retreat for locals to relax for an evening or a weekend. Please do not take that away from us! These places are few and far between these days and it would be a dis service to montana to allow Holland Lake to become another tourist destination, commercialized, polluted, and under-appreciated.
