Comments: I am a native Montanan. I have never been wealthy, monetarily that is. My and my family's greatest wealth has always been the wild and pure public land in the Swan. I have so many important memories of experiences on and around Holland lake. I don't think I'd be the man I am without them. Please deny any permits to alter, restrict access, or anything else that makes the area on and around Holland lake something only wealthy people can enjoy. Please deny any and all permit requests made by POWDR resorts or any associated purchasing entities, lawyers, firms, funds.
