Comments: I would like to submit my opposition to the Holland Lake Lodge proposed major changes and additions. In my opinion, sensible maintenance, repairs, and restoration in a manner consistent with the rustic nature and history of the site would better serve Montanans and all who visit. Holland Lake Lodge is a National Forest facility, not a National Park, and most certainly not an out-of-touch with its surroundings resort.

In addition, there has been no environmental impact studies and no reasonable time for public comment and therefore should not be approved as proposed.
