First name: Susan

Last name: Jensen

Organization:

Title:

Comments: Please, for the love of Montana, and her many generations of occupants, do not vote in favor of selling Holland Lake property to this organization, or any that want to destroy our beauty and long time enjoyment ! Especially for their personal gain, and not Montanans! The powerful have already done so much damage, to what makes this state so beautiful and a pure joy to live here! Save Montana! Thank you for your time! Susan Jensen
