Comments: Holland lake is a beautiful place that should remain the way it is. I've been going to holland lake since I was a kid and I hate to see it exploited and destroyed, especially by people who don't even live here and don't appreciate the beauty of Montana and it's public lands. I really would love to be able to take my children to Holland Lake someday and allow them to enjoy and soak up the beauty just as I did as a child. Please please reconsider, I know a lot of Montanans are asking the same.
