Comments: I am writing to oppose selling Montana lands to out of state Corporations, especially when the proposed purpose is for anything contrary to the wishes of the people of the great state of Montana.

Holland Lake and the surrounding area is a TREASURE that belongs in the hands of MONTANA Citizens. I represent the view to allow it to remain NATURAL and not turned into a Big Money private ownership area.

I was born and raised by a pioneer Montana family . I oppose selling Montana wild lands to private parties. Please KEEP MONTANA Public Wild Spaces free of private ownership. Thank you.
