Comments: I grew up approximately 1 mile to the north at the Bob Marshall Wilderness Ranch outfitting business that my father owned for over 30 years as one of the largest outfitters in the Bob Marshall Wilderness. I am intimately attached the Holland Lake Lodge as I grew up on the shore and in the lodge with the operators of that outfitting business as well as the owners. There is no need to damage our public lands by making a historic Montana outfitting lodge a place for the rich and famous. Holland Lake is and has always been one of the most historic and iconic places in Northwestern Montana. Please do not allow an out of state entity that has no ties to the local environment or people to change our great state to another Big Sky location. The ecosystem around Holland Lake Lodge is to fragile to withstand that much pressure. Please do not let this acquisition take place.
