Comments: To whom it may concern, My wife and I are writing in support of the Holland Lake Lodge Facility Improvement and Expansion #61746. Our relationship with the Lodge and the owners goes back over a half century when we were married there in June of 1972. It is obviously a very special place and it is important to us that whatever is approved maintains the character and unique appeal that currently exists. We have the utmost confidence that the current owner Christian Wohfield feels the same way. Change is difficult but I think inevitable. We have reviewed the partner Powdr Corporation and their previous projects and have come away feeling that their goal is to develop a project that we can all be proud of.
