Comments: As a native Montanan and former owner of property very near Holland Lake, I am vehemently opposed to this take-over of one of Montana's treasures. The public beach there has afforded our family so many hours of pleasure. The rustic lodge, which serves some of the best food in those parts, is another item that should not be torn down. It has history and is tied to so many of the region's people. Please consider this yet-another co-opting of our state by out-of-staters intent on turning this into a playground for the rich. They have enough places, and allowing this travesty will divest local people of a place that they can enjoy. Holland Lake will be lost to us.
