First name: Thomas

Last name: Pittaway

Organization: One Dental Care Center

Title: President

Comments: I vehemently oppose this proposed destruction of the Holland Lake area. I do not consider it construction as it will destroy any quality of the experience of visiting this pristine Montana landmark. I would like to recommend a complete rejection of any of this companies proposals. Sure a renovation may be in order but the proposed project is not in character with the area. I know money talks, so we will be vigilant for corruption among the local officials!
