Comments: "Don't try and change Montana; let Montana change you."

As a fourth-generation Montanan, a cabin owner near Holland, and someone who worked at Holland Lake Lodge during college, I am extremely disheartened at this proposal and even more disappointed in the people involved. Holland Lake and the surrounding area is one of the true treasures left in Montana that hasn't been completely inundated with people, and it's the job of all of us who love this state for what it is to keep as many of these places as sacred as possible.
