First name: Leana

Last name: Crawford

Organization:

Title:

Comments: We are slowly losing our wild acreage to fire and industry! How do we preserve this beautiful land for future generations if we continue to strip it of its natural beauty all for monetary gain!! Please please do not allow for this out of state corporation to move in on our wild Spaces! Please do not limit the Montana experience to those who can afford to purchase tickets at some mountain lake lodge resort! Keep our land open and accessible to all!!
