First name: Mollie

Last name: Wilson

Organization:

Title:

Comments: Hi my name is Mollie and I don't believe this is the right thing to do. There is so much history there and this is almost exploiting Montana for its natural beauty. Holland Lake is such a hidden gem in our lovely beautiful state. I really hope this project doesn't get approved. We need to preserve and protect our land. I hope you guys get this message and I hope you all have a beautiful day.
