Comments: I can't believe that we NEED to do this to Holland lake. An absolute perfect place for a MT family to go and camp, hike, and see the beautiful waterfall. 2

How can you sell this to the highest bidder? I'm disgusted that our public lands are going to development! Please DONT do this to any more of our sacred spaces! I

Our forest and it's management is the only thing that continues to keep our state looking and feeling different than the others. Please keep it wild and free to those in the state.
