Comments: Stop this project at holland lake! This company powdr doesn't need to ruin anymore beautiful lands for their Financial gain. They have helped to destroy park city, Utahs beauty already! PLEASE don't let them destroy Holland lake in Montana. It is still beautiful! We need to continue to leave it as it is. Sounds like they are going to cut down trees and and add more building to accomplish this resort like area. Once they build the buildings and cut the trees down we can never get it back! Please don't allow this to happen!!!! There are so few places like this left.
