Comments: As a lifelong Montanan and resident of the area, I strongly oppose the Holland Lake Lodge Facility Improvement and Expansion for the following reasons:

1. Holland lake is a pristine, beautiful place for the public to recreate BECAUSE there is very little development. Outdoor recreationists have enjoyed Holland Lake for decades with its wooded shores, public spaces, and scenic hikes. A large, wealthy resort on the lake would ruin the natural peace that Montanans seek and protect at this location.
2. Keep Montana local. A wealthy, out-of-state organization should not be allowed to come in, mow over our historic buildings, and profit from lands we've loved, protected, and preserved for generations. A project like this would ruin the pristine, natural, peaceful beauty of Holland Lake. And the damage is irreversible. Do not sell out our lands and our lake for wealth and destruction.
