Comments: Holland lake is a special place. It's a place where you can go to escape the hustle and bustle of life. A place you can go and be fully present because you probably won't get cell phone service. It's a place where you can enjoy nature and all it's beauty untouched (mostly). This development would change all of that. It would become a place that is busy with tourists. A place with all the amenities that take peoples focus off of nature. It turn this beautiful land into a nature themed theme park of sorts. It breaks my heart that this is even being considered and Im askinb the forest service deny this request to develop Holland lake.
