Title:

Comments: PLEASE DO NOT let Holland lake be changed by a large corporation. This will destroy the entire area! It's beautiful and serene! Our beautiful lake, forest, trails, animal life, and human life will be affected/damaged by this project. The traffic will be horrible. We now see more trash on the sides of the road then ever before we do not want this here nor in our forest lands. DONT let the destroy our Montana.

I OPPOSE THIS PROJECT!

Help keep Montana the last best place!
