Comments: I object to the expansion proposal for Holland Lake Lodge. As a native Montanan whose family has been enjoying Holland Lake and the surrounding Swan Valley for more than 80 years, I am saddened and appalled that this proposal is even being considered. The charm and historical significance of the current Lodge and attached facilities will be entirely obliterated if this proposal is given the go ahead. Four generations of my family have camped, hiked, hunted, kayaked, fished and gathered in the Holland Lake area and it does not seem fair that an out-of-state organization can be permitted to so vastly change such a special place. And it will be forever changed and not in a positive manner. I firmly object to the commercialization of Holland Lake. Keep it as it is for Montana. Protect the environment, the wildlife and the Montanan way of life.
