First name: Brandon

Last name: Copp

Organization:

Title:

Comments: Many people I know have all been talking about this project and how it would ruin the whole point of going out to holland, we already have seeley lake for tourists. Honestly Montana is getting overpopulated because all the people we attract and it would ruin the camping aspect having outsiders take over our land. Thank you for letting the people have a voice on this project and how it would make us all feel as Montanan's.
