Comments: No no no no and just no. Do not allow this beautiful lake to be monopolized by millionaires that don't respect nature. I am a born and raised Montanan and the growth is already to much. Let the locals continue to enjoy our beautiful state. We don't need the extra tourist attraction. Let them go to Yellowstone and glacier. We need to preserve our land. I guarantee if they build all that, that the beautiful clear waters of Holland lake will be no more. It's an historic spot and all the buildings and trails mean more to everyone than some stupid hotel and capitalism.
