Title:

Comments: I strenuously ask the Forest Service (FS) to NOT approve the destructive changes to Holland Lake lodge and immediate area around our (us Montanan's) beautiful Holland Lake! The FS generally has our back! Please keep doing so and don't let out-of-state, rice developers ruin Holland Lake. Deny the request, please be the stewards of the land FS has always been for us normal folk in Montana. Just say No!!!!

Thank you.
