Comments: "The LAST BEST PLACE". Remember that. It won't be for long as we sell our treasure to the highest bidder. Terrible plan to allow this development. We have to stay in the fight and hold what we have, draw the line, keep Montana clear of this development scourge that ruins our state. Tourism is fine, but let them come see the real historic Montana, the right way. This project is only out for \$\$\$\$\$\$. It will become a congested, elite , no value sore on the current face of our great state. Stand your ground Forrest Service, listen to your fellow Montanans. Do not allow this. Its on YOUR shoulders. 'Only YOU can prevent this"
