Comments: I'm writing to very much oppose this project. Holland Lake is a wonderful treasure enjoyed by Montanan's and visitors for many generations. We the people are the steward of this natural beauty and the temptation to commercialize this area for money is absurd. The single biggest reason it is so revered by all is because its not developed and ran over by some big out of state corporation. These organizations exist to profit only, anything else said is marketing and lies. And don't forget the negative domino effect of this idea / project on hwys, roads, infrastructure, traffic, wildlife, natural resources.

Thank you in advance for reading / hearing our voices as owners / taxpayers.
