Comments: I believe Destroying Historic places in Montana goes against everything Montana and Our Forefathers believed Montana should be.

Our lives, Our Children's lives are in this State because of Nature and what it represents to Our Lives, Our Hearts and Our Health.

Please Don't make MONEY Our Goal in Our Future Lives, We need to stand Tall and keep this Awesome State in It's Natural Prestine Original State for Everyone, every Creature who Calls Montana HOME.

If Utah wants this then do it in their State, why Montana? Why not UTAH?
