Comments: Greetings, I live in Texas now but was a part-time resident in north Montana. I saw a video about the proposed Holland Lake facility, and I would like to submit my opposition to it. There are plenty of places to do what can be done at the facility, in Montana. I oppose this being built in close proximity to the Bob Marshall Wilderness. Let's keep Montana as pristine as possible. So, this is one vote in the no column for building this.
