First name: Diana

Last name: King

Organization:

Title:

Comments: I see this as Criminal activity. That many people defecating, parking and trashing the serene atmosphere is never going to be acceptable. These governmental departments do not have the right to allow public lands to be turned into "ConeyIsland" for out of state profits. I am disgusted with the whole idea and project.

I demand my state representatives to protect Montana's last good places from this kind of land rape and ruin!
